

Have a cool Yule!

Yeah yeah yeah...we know it's the middle of summer. We know right now with the sun on your face and your toes in the sand the last thing on your mind is snow shovels and icicle lights. But, that's exactly where we need your mind to be.

Allegany Magazine is looking for your holiday memories. Send us anything you got. Recipes that remind you of Christmas. Hanukkah traditions between you and your family. Kwanzaa stories. Send us your poems, factual stories, hand me down dishes. Whatever reminds you of the holiday season we want to hear about it.

You can even send in a photo along with your submission if you would like.

No holiday related item — except perhaps for eight reindeer and a partridge in a pear tree — will be rejected. Heck, we'll even take the bird and the deer come to think of it. If you can fit it in a self addressed stamped return envelope and mail it to Allegany Magazine/Holiday Issue/PO Box 1662/Cumberland, Maryland 21502, we will take it. Or stuff it like a fat bearded man up a chimney to sriggs@alleganymagazine.com and in the subject line write "holidays."

Then keep watching because our special holiday edition being released in November may have your contribution in it! It's your chance to tell your holiday stories and we want to hear them all!
